Marilyn McPhie will give a reading based on the famous plays of William Shakespeare.

Shakespeare borrowed the basic plots, but his plays, the characters, the words and poetry are his own. That is what makes Shakespeare great – not the originality of his plots, but originality of his words. *Stories Shakespeare Stole* goes back to the older folklore sources of Shakespeare's plays.

Marilyn McPhie has a degree in English and French literature and is President of the Storytellers of San Diego and a California State Liaison for the National Storytelling Network.

Newcomers meet monthly on 1st Wednesdays at the Carlsbad Senior Center:
